

Bizhub i-SERIES

KONICA MINOLTA

The i-Series houses a powerful engine, a quad-core central processing unit with standard 8 GB of memory and 256 GB SSD, which allows for quick-response, high-performance operations. With an additional combination of full-speed media printing range, high-speed single pass dual scan doc feeder as well as finishing options, digital skew correction, and large capability trays, expertly blends reliable functionality with versatile serviceability.

Up to 65 ppm High resolution color print/copy

Standard dual scanning up to 280 opm

Mobile print support with access point capability

Maximum paper capacity of 6,650 sheets

Other Features

Intuitive operability

Operate the bizhub like a smartphone or tablet with fully customized user interface

Mobile connectivity

Print anytime from anywhere with Konica Minolta's innovative mobile technologies

Security

Secure network integration, data encryption and advanced user authentication

Application ecosystem

Enhanced efficiency thanks to Konica Minolta's extensive applications portfolio

Productivity

Reliability, high-speed scanning and printing, combined with powerful finishing functions
